

A Note from Miss Robinson:

I would like to welcome returning children back to nursery and new children who are beginning their journey with us. I hope you all had a fantastic summer and made many special memories.

Nursery Newsletter

Golden Rule Board

In nursery, we have introduced a Golden Rule board. Children will be recognised for their behaviour, kindness, listening skills and honesty, whilst also being recognised for their hard work and caring nature. One child will be chosen each day. Their picture will be added to the special golden rule board and they will receive a special golden rule sticker!

Nursery Learning

This half term our topic is 'All About Me'. We will be learning about who we are as a person, our families and making friends. As part of our learning, I hope to share family photographs with the children. I would be grateful if you could email a family photograph by Monday 3rd October to the following email address: nursery.seascape@durhamlearning.net These photographs will be useful for activities and will be displayed in our nursery.

Later in the half term, we will also be thinking about autumn; noticing changes in the weather and the environment. Please bring any autumn treasures your child finds on their way to nursery to share with the group. As we move into autumn, please remember the weather will become a lot colder. Please ensure your child is dressed in suitable clothing as a proportion of the session is outdoors. A warm coat, hat, scarf and gloves will be required as we move through the season.

Nursery Door Opening and Closing Times:

Morning Nursery

Entry - door opens 08:45am, door closes 09:00am
Collection - door opens 11:35am, door closes 11:45am

Afternoon Nursery

Entry - door opens 12:30pm, door closes 12:40pm
Collection - door opens 3:15pm, door closes 3:30pm

The doors will be closed promptly at these times to ensure the nursery session can begin. If the door is closed when you arrive, please take your child to the main school office to avoid disruption to the session. If you need to collect your child early, children will need to be collected via the school office.

Important Reminders:

If another adult is collecting your child at the end of session, please inform your child's teacher or contact the school office. A password is required. Adults must be over the age of eighteen years old to collect children from nursery.

At nursery, we promote independence. Your child will be encouraged to take off their own coat and hang up their belongings on their peg. Please remind and encourage your child of this routine. Staff will be present to support your child if required.

If your child is toilet training, please ensure you share efforts with staff to ensure consistency for your child. Please provide a bag including pants, socks, trousers, wipes and nappies or pull-ups, so your child can be changed if required.
