

Happy Friday! We have had a wonderful week in school and the children are really settling well into the routine. We have had a lot of coughs and colds going around and can we just say thank you to all families for being so vigilant, not only for their own child's health but wanting to protect others. Children can come into school with a cold but we would ask all families that if your child has a cough or high temperature then they need to stay off and take a test. When that test comes back clear and they are feeling better they can return - they do not have to be off for 10 days unless they test positive. Please ring us for guidance if needed as it is a very confusing time.
