Well done to class 5 for having the best attendance. We are very impressed with our attendance figures so far this year. Thank you to parents for following government guidance and keeping children at home if they display coronavirus symptoms.

Please remember school doors are open until 9.00 and children will not be marked as late until 9.05 to allow social distancing on the yard. Children do not have to be in at school at 8.45. At the end of the day we will only let children out at their designated time to ensure there is a reduction in the number of people on the yard so please do not arrive too early.

Can we politely remind all families to try and follow the policy of only one adult to collect a child from school and to not gather on the yard. Under the new lockdown policies families should not be meeting socially this does include on the school yard so please do not gather on the yard before or after collecting your children.
