Wow absolutely amazing attendance this week we are currently one of the highest attending schools in the whole of County Durham! Well done to Class 10 for having the best attendance; their attendance was 98.32% so slightly higher than the other two classes with 98%.

**Crossing Patrol:**

We would like to remind all families that the crossing outside our school is currently unmanned. Please be extra vigilant when crossing the road. We are trying to encourage the local council to come up with a solution and would appreciate any support from parents by contacting their local councillors.

Can we politely remind all families to try and follow the policy of only one adult to collect a child from school and to not gather on the yard. Under the new lockdown policies families should not be meeting socially this does include on the school yard so please do not gather on the yard before or after collecting your children. Please also wear a face covering
