Well done to class 4 for having 100% attendance - amazing.

PHOTOGRAPH DAY

We have the photographer in school on Thursday (20th) to take individual photographs. We will be taking photographs of siblings and families with pupils in school but unfortunately we do not have the ability to take photos with siblings who are not in school. This is currently still not allowed according to Durham local authority's risk assessments which is disappointing but we think it is important the rest of the children get the chance to have a school photograph as they missed out last year.

We would ask that all children are in uniform on Thursday even if it is their normal PE day.

Masks

It's great to hear that the government are starting to lift restrictions even further however, we would ask all adults that can to continue to wear a mask whilst on the school premises and stick to one adult per child at collection and drop off times as much as possible. Thank you.
